

FAMILY PORTAL FOR EDSEMBLI | SIS

A centralized hub for parent-teacher communications

The Edsembli Family Portal makes it easy for parents and teachers to communicate and track student success in one, centralized experience.

Why use the Family Portal?

Streamline parent-teacher communication

View homework, grades, and other student information

Manage multiple children with only one account

Handles payments, registration forms, and more

Create a unified experience focused on student success

Bring the most important people in a student's life together. The Edsembli Family Portal supports all stakeholders in a student's life, including parents, teachers, and administrators. The Family Portal provides teachers and parents with a powerful dashboard to communicate, receive updates, track homework, measure student achievement, and more.

- **Parents** can see everything relating to their child, from assessments, homework and field trip forms to fees and IEPs.
- **Teachers** and schools can create meaningful relationships and prioritize student success through direct communications with parents.
- **Administrators** can streamline processes for data collection using pre-populated forms and secure document delivery.
